Dear Friend of Georgetown Village:

On behalf of Georgetown Village, we are seeking your sponsorship with a gift of \$500.00 or more for our upcoming Annual Gala, now set for Wednesday, June 14th from 6:00 to 8:00 p.m. in Nancy Taylor and Alan Bubes' beautiful penthouse atop the Washington Harbour. We hope that you will once again consider and step up to support our Village for all the wonderful work it does for those 55 and older and our community.

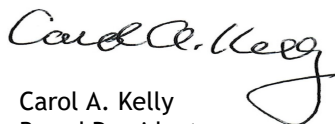

During the course of the event, we will be honoring a very special member of our community, Bill Plante, by launching "Conversations with...", in-person interviews in our new Georgetown Village Square that will be live-streamed and archived in a digital library. The on-going series is being produced by documentary filmmaker Robin Smith, Bill's wife and fellow Georgetown Village founding member, to celebrate journalism, politics, classical and American popular music, and of course wine and great food - the topics that were important to the legendary newsman over the course of his 52 years with CBS News. Please trust us when we say this will be an incredibly notable evening for our members, volunteers, and community as we honor volunteer service and launch the new series.

This is also an important year for us, because our Village has moved into a new space at the Fillmore Arts Center. The Village Square, named by the vote of our members, will be a wonderful new gathering place for us to better meet the needs of our members. As you know, older adults often have issues with social isolation, and the Village Square will enable us to better address this issue. Whether hosting our new conversation series, book club, exercise class, coffee hours, movie night, or serving as a gathering spot and more, we pledge to you that we will use your money wisely as we meet the needs of our members and remain part of the broader community fabric.

With your support, Georgetown Village has become an indispensable resource in our community, providing thousands of services and activities to our neighbors in Georgetown, Burleith, and Hillandale during the last 12 years. The Village also helps keep us informed, engaged, and connected. It is only with your continued support that we are able to do what we do.

We operate on a tight budget and donations account for over 70% of our operating budget. Please be generous and help ensure our continued success, by completing and returning the enclosed sponsorship form by April 10<sup>th</sup> to be on the printed invitation.

Please see benefits enclosed. We look forward to hearing from you soon.

### How to Help

Georgetown Village (GV) offers volunteer assistance, activities, and new connections to help us thrive as we grow older in our own homes.

This is an important year for us, because our Village has moved into a new space at the Fillmore Arts Center. The Village Square, named by the vote of our members, is a wonderful new gathering place for us to better meet the needs of our members. As you know, older adults often have issues with social isolation, and the Village Square will enable us to better address this issue. Whether hosting our new "Conversations with..." series, book club, exercise classes, coffee hours, movie showings, or serving as a gathering spot and more, as we meet the needs of our members and remain part of the broader community fabric.

None of this would be possible without contributed support. GV operates on a tight budget. **We depend on donations for 70% of our annual revenues.**

**Georgetown Village is a 501 (c) (3) nonprofit organization in Washington, DC. Our federal tax-exempt ID # is 80-0641867.**
