

THE BILL PLANTE conversations

We are excited to be launching The Bill Plante Conversations, a series of lively conversations with people my beloved husband would have enjoyed talking with, on topics that were always of interest to him....politics, the media, interesting wine. We all remember that legendary voice and insightful curiosity that made his interviews fascinating to watch. I've set a high bar for us, but it is the only way to properly celebrate his legacy!

We hope you will join us at The Village Square when the "art of being in conversation" unfolds with the style and grace worthy of the legendary Bill Plante.
