Dear GV Members,

We are very excited to be celebrating our 12th Anniversary with you this month. This is the first time we are able to celebrate in our own home and we have a fun evening planned!

As I am writing this newsletter, I learned that the movie many of you have been requesting is now available for streaming. We will be showing the new Joan Baez documentary, *I Am A Noise*. As a long-time fan of Joan Baez, and one who attended her farewell concert in DC, I was also really looking forward to watching this movie. We are planning to schedule two movie nights in January to stream *Oppenheimer* as it is such a long movie.

This is our first year at the Fillmore building and we have learned that the building is closed between Christmas and New Years. We will not be closing our Village, but will be unable to open the GV Square or hold in-building programs during that time. Staff will be working remotely, if you need assistance give us a call at 202-999-8988 or send an email to Lynn@georgetown-village.org.

Mark your calendars for January 21, at 4 pm, when we will be hosting our first in-person Town Hall. This is an opportunity to learn about our plans for Georgetown Village, share your thoughts and ideas, meet with our committee chairs, and of course, enjoy some snacks and socialize.

The GV Board and Staff join me in wishing all our members a Happy Hanukkah, Merry Christmas and Happy and Healthy New Year!

Stay warm and healthy,
Lynn

Georgetown Village Celebrates
Our 12th Anniversary!**

We hope you will be joining us to celebrate the 12th Anniversary of Georgetown Village on December 6. This will be a fun evening and a great opportunity for our members and volunteers to enjoy each other's company and socialize.

As a special treat this year, we will have a performance by the **Augmented 8**, a fabulous DC a cappella group! In addition, our favorite pianist, Ray Biagini, will be providing lovely background music.

We will be serving heavy appetizers and beverages and look forward to celebrating with YOU! Please be sure to RSVP, so far 60 of your friends are joining us, we hope you will be there too.

**GV Tour of the Supreme Court
Wednesday, December 13 12 pm**

Although this special tour is already at capacity, if you are interested in joining the group, please call or email the office and we will add you to the waiting list. At times people need to cancel at the last minute and you might have the opportunity to join us.

Our program committee has done an outstanding job of scheduling fabulous excursions for GV members this year. The committee is always open to suggestions, and new members. If you are interested in getting involved in helping the committee or have ideas for excursions, please let us know.

**Women's Lunch-Wednesday, December 19
12:00 Peacock Cafe
Men's Lunch-Thursday, December 20
12:00 @ City Sliders**

Our women's lunch program has taken off and we enjoy seeing so many of you enjoying each other's company and a nice lunch out monthly. Please remember to let the office know if you are joining us so we reserve a large enough table.

The men's lunch group has been going for a few years now, and they are always happy to see new men join the group. Winter is a great time to get out and make new friends, hope you will join them!
