

# Making a Difference •

I value the Village, for all the help given to me. I'm grateful for all the wonderful drivers who take me to appointments. I can't leave out the excellent friendly repairmen who helped with needed repairs. I sure don't know what I'd do without the Village.

## Benefits of Volunteering with Georgetown Village

In addition to the satisfaction that comes from helping your neighbors and serving the local community, Georgetown Village volunteers are able to attend all GV events, including museum tours, exercise classes, book club discussions, social hours, and much more. We couldn't achieve our mission without our volunteers, and we warmly welcome them as an integral part of our community.

# The Mission

Georgetown Village is a nonprofit organization serving adults ages 55 and up as they age in place in Georgetown and the surrounding areas. In addition to providing services aimed at helping older adults stay in their homes as they grow older, Georgetown Village also offers a wide variety of educational, social, and culturally-enriching programs to help fight social isolation and cultivate a strong sense of community. We rely on a robust volunteer corps to help us achieve this mission and to ensure our neighbors thrive during life's third act.

## VOLUNTEERS NEEDED FOR:

- **Transportation:** Driving older adults to medical appointments, the grocery store, etc.
- **Tech Support:** Assisting with computers, smartphones, etc.
- **Light Home Assistance:** Changing lightbulbs, hanging pictures, shoveling snow, etc.
- **Wellness Check-Ins:** Friendly phone calls, hospital visits, etc.
- **Errands:** Grocery shopping for older adults, prescription pick-ups, etc.
- **Events:** Assistance setting up for events, greeters, etc.

## LET US Make the Match

Georgetown Village provides volunteer opportunities that can be scheduled around your availability, and we are happy to have individuals volunteer with us as much or as little as they'd like.

We also welcome volunteers to share their interests and areas of expertise with us so that we can pair them with older adults who would most benefit from their support. If you have a knack for a particular skill or volunteer area, we encourage you to let us know!
