Dear Georgetown Village Members,

We welcome back our members and volunteers who have been away this summer. We missed you! Georgetown Village has been running strong all summer and we have many fun activities planned for the fall and winter. Although not described in this newsletter, mark your calendar for December 9, when we will be taking a trip to **Richmond Virginia Museum of Fine Arts** and viewing the upcoming exhibition- *The Impressionist Revolution: Monet to Matisse*. Visit our website for more information and to RSVP, seats are limited.

Speaking of our website, Bethany has been very busy this summer creating a new and improved website for Georgetown Village! The new site will be launching after Labor Day and we welcome your thoughts and opinions once it launches.

As many of you know, our board terms start in September, and Georgetown Village allows people to serve for two terms before they must roll off the board for a year. This year, **Carol Kelly** and **Toni Russin** are rotating off the board. Both Carol and Toni have been incredibly hard working, they are Past-Presidents, as well as committee chairs and they will be sorely missed. Georgetown Village is stronger thanks to their dedicated efforts!

Judith Bunnell, who has served as President for the past two years is passing the torch to Sherri Anne Green, and remaining on the board as Past-President. Judith has done a great job as President, we have all benefited from her leadership and skills!

Our September Health Care discussion is a very special one! **Amy Short, Director of Emergency Services** at George Washington Hospital is joining us on Zoom to discuss Geriatric Emergency Rooms. More Info on back page.

Also, in October, we are planning another fabulous walking tour with **Peter Hubley**. Peter will be guiding us through a **Civil War tour of Oak Hill Cemetery** and sharing many interesting stories. We were still working out the date at press time, it will be in our weekly emails.

Looking forward to seeing you,
Lynn

3rd Annual *Diner en Blanc*
September 23 -5:30 pm

This event is one of our most popular and we welcome all members and volunteers to join the fun! We will set up tables and chairs and participants bring their own food. If you would like us to arrange for your meal let the office know.

The goal of the initial *Diner en Blanc* was to bring people together to share a communal meal and celebrate public spaces in an unusual way. Participants wear white because it made large groups easily identifiable in public space and creates a striking aesthetic. We base our event on these goals, however, we add the GV twist of flexibility and inclusiveness! We also have a wonderful addition of fabulous door prizes gifted by local French businesses.

Botanical Gardens State Flower Exhibit

Celebrate America's 250th anniversary, with the flowers of each U.S. state and territory official flower. From fragrant magnolia flowers and roses to native orchids, bluebonnets, and saguaro cactus flowers, enjoy the variety of floral beauty that symbolizes America.
